

PUBLIC NOTICE

Notice #02435-1
August 16, 2018

This notice is to inform the public that the South Carolina Department of Health and Environmental Control (Department) is accepting public comments on the Remedial Plan to Address Free Product Petroleum/ Corrective Action Plan (CAP) that addresses the cleanup of groundwater contamination at the location listed below. The contamination was discovered September 18, 2003, the cause or the quantity of the release is unknown.

FACILITY: Coastal Tire & Auto / Tire & Oil Co., 201 S. Main St., Saluda, SC

APPLICANT: Mr. Joe Shealy, Coastal Tire & Auto / Tire & Oil Co., 201 S. Main St., Saluda, SC 29138

SUMMARY OF CAP: Katawba, an environmental consulting firm, has submitted a CAP that proposes to conduct Aggressive Fluid Vapor Recovery (AFVR) Events to address groundwater contamination on behalf of Coastal Tire & Auto / Tire & Oil Co. AFVR uses tubing via a vacuum to collect and remove free phase product from the site.

PUBLIC COMMENT PERIOD: The deadline for submitting written comments is **five (5) PM September 16, 2018**. Any interested person(s) may submit written comments concerning the cleanup to the Project Manager listed below. Please feel free to bring this notice to the attention of persons whom may be interested in this matter. If there is a significant degree of public interest, DHEC will hold a public meeting.

Bobbi Coleman, Hydrogeologist
SCDHEC Underground Storage Tank Management Division
2600 Bull Street
Columbia SC 29201
803-898-0628

CONTACT INFORMATION: For additional information, please call the Project Manager listed above. To view a copy of the CAP, the Freedom of Information Office can be contacted at 803-898-3880 or the CAP can be accessed on-line at <http://www.scdhec.gov/PublicNotices/>.
